Website Care Plan ★ - \$699/year

Website Care is a managed service that keeps your website online, secure, backed up, updated, and professionally maintained throughout the year.

Every new website includes 12 months of Website Care at no additional cost after launch. After your included 12-month period, your Website Care Plan renews annually at

\$699/year. An invoice will be sent approximately **30 days** before your renewal date to ensure your website continues operating without interruption.

After your initial 12-month period, your Website Care Plan renews at **\$699 per year** to keep your website:

- Online with premium managed hosting
- Secure with ongoing monitoring
- Updated with WordPress and plugin updates
- Protected with daily backups
- Supported with routine maintenance and content updates

Includes:

- Premium managed hosting
- SSL certificate
- Daily backups
- WordPress & plugin updates
- Security monitoring
- Uptime monitoring
- Domain & DNS management
- Technical support
- Routine content updates*

Perfect For:

- Small businesses
- Contractors
- Restaurants
- Retail stores
- Professional services
- Anyone who wants a professionally managed website

Already have hosting? No problem. I can also work with your existing hosting provider if you prefer.

***Please Note:** Routine content updates include changes such as text, images, contact information, business hours, and similar website content. New pages, page redesigns, major layout changes, eCommerce enhancements, and custom development are quoted separately based on the scope of work.

Frequently Asked Questions

Do I need to purchase hosting?

No. You may use your existing hosting provider, or choose one of my **Website Care Plans** for fully managed hosting and maintenance.

Do I own my website?

Yes. You retain ownership of your website, content, and domain name.

How long does a website take to build?

Most projects are completed within 2–6 weeks depending on the size and complexity of the website.

Can I update my website myself?

Absolutely. Every website is built with WordPress, making it easy to update text, photos, and pages.

What if I need changes after my website is finished?

No problem. Minor updates are included with the Website Care Plan, and additional changes or new features can be quoted as your business grows.

Do you build online stores?

Yes. I develop WooCommerce websites that allow you to securely sell products online, accept payments, manage inventory, and process orders.

What happens after my first year?

Your Website Care Plan renews annually for \$699/year to keep your website online, secure, backed up, updated, and professionally maintained.

How do I get started?

Getting started is easy! Contact me by phone or email to schedule a **free 30-minute consultation**. We can meet over **Google Meet**, or **Zoom**, talk by phone or by text. During our conversation, we'll discuss your goals, timeline, and budget, and I'll provide a personalized quote based on your project.

Project Timeline:

Starter website - 1 to 2 weeks

Business website - 2 to 3 weeks

eCommerce website - 3 to 5 weeks

Custom wordpress website - 6 to 10 weeks

Timelines may vary depending on project complexity, content provided, revisions, and client response times.

Project Terms

- A **50% deposit** is required before work begins.
 - Website Care Plans renew annually unless cancelled before the renewal date.
 - The remaining balance is due before the website is launched.
 - Prices shown are starting estimates and may vary depending on project requirements.
 - Custom functionality or additional revisions may require a separate quote.
